Kajeet SmartSpot Parental Consent Form

The [School District Name] is offering a limited number of free wireless hotspot devices to students who do not have Internet access at home. This program enables students to take home Internet service—absolutely free. Both the device and monthly service fees are fully paid by the district. The program is intended to help [School District Name] students access online resources at home. To ensure peace of mind, these devices use internet content filtering and are scheduled so that they cannot be used between 11 p.m. and 6 a.m. The borrowing limit is one device per household, but these devices can be signed out repeatedly throughout the year. By signing this form, the parent agrees to assume all responsibility for equipment signed out to the student. A replacement fee of [REPLACEMENT AMOUNT] will be charged if the device is lost, damaged or not returned.
